On Saturday afternoon the Western Strikers Seniors hosted Salisbury United in their final home game at Carnegie Reserve, before moving to Regency Park for the remainder of their 2024 home games.

The first half was very entertaining. We were controlling the ball well, which allowed us to have plenty of shots on the Salisbury goal. Our defensive line was holding up against a strong Salisbury, this resulted in a clean sheet heading into half time.

Leading 1-0 at the half, we received a wake up call early in the second after Salisbury tied the game at 1-1 from the spot.

The Strikers boys bounced back immediately to regain control of the game. After and having plenty of opportunity to find the back of the net throughout the game, Jacob Lavery headed the ball home after a D'Alfonso cross in the 60th minute.

Credit to Salisbury's Goal Keeper to keep them in the game with some brilliant saves throughout the contest.

After finishing 2-1 to Strikers, this ended our brief winless run and secured us 3 solid points which keeps us well clear of the relegation zone.

SENIOR WOMEN

We were back at West Beach again this week, but this time for the first round of the cup.

Coming out of the gate, we were hot like the weather, netting 3 goals before the half, with Sammy K scoring a brace and Courtney Woodhouse on the score sheet as well.

Fulham really got it together in the changerooms during the halftime break as in the second half, they really came at us, hard, scoring 2 goals in quick timing.

Despite conceding two quickly, we regained our composure and were able to hold them off taking home the 2-3 win!

We are excited to see the next round of the cup.
